Spring Town Cleanup: Jenni said that it looks good for that day. We just need to do the push on the press, social media, etc. Confirmed for A-1 shredding. Bruce and the International Club is going to work at the cemetery. We discussed putting out the signs, what will be at town hall and DPW, etc.

Switchbox submission: We received submissions for the switchbox for East & Chandler. We reviewed them and Paige is going to follow up with our feedback.

Adopt an island submission: Paige received an indication that someone (landscaper) was interested in the island at Helvetia and Chandler but we haven't received an application as of yet. We are going to be removing the "free mulch" as part of the adopt an island application.
