Meeting Motions / Actions and Summary of Discussions:

The minutes of the **April 4, 2022** meeting were unanimously approved.

Reorganization: Paige Impink is stepping down as Chair and nominated Jennifer Balch-Kenney to replace her. Karen Cintolo was nominated as committee clerk. Both nominations were unanimously approved.

Adopt An Island: JW and Jomarie Buckley applied for two town islands located on Maple and Lowe Streets as well as East and Chandler. Some discussion was entertained as to the planters they would use. These would be allowed but it was suggested that they might need to be removed for winter plowing. Their applications were unanimously approved.

Community Beautification Awards: It was suggested and approved unanimously to honor the Tewksbury Garden Club for all the work they do in our town. They work tirelessly and the town is lucky to have their support.

Library Trail Walks: Kathy Macinnis reported there was a great turn out for the four walks already offered. Available spots were filled and all ages represented. She mentioned that most participants' questions pertained to gardening. It was suggested by Kathy that an invasive Burning Bush on Helvetia and Chandler Streets be removed by the town. Paige will follow up.
